Application for internship-B.tech(core)1st year student

Dear Hiring Manager,

I hope this email finds you well. My name is [Shaumadeep jana], and I am currently a 1st Year B.Tech (core) student. I am writing to express my sincere interest in applying for an Internship opportunity at your esteemed organization.

I have a strong interest in Web Development,UI/UX Design and digital technologies, and I am continuously building my foundation in technical and digital skills such as Python (Beginner), digital literacy, file management, cloud computing basics, and online safety. I am highly motivated to learn, contribute, and gain real-world industry experience through this internship.

I have attached my resume with this email for your kind review. I would be very grateful for the opportunity to discuss how my skills and learning mindset can add value to your team.

Thank you for your time and consideration. I look forward to your positive response.

Warm regards,
[Shaumadeep jana]
